

A person with curly hair is wearing a VR headset and smiling, with their hands raised in a gesture. The background is a vibrant, sci-fi scene featuring a bright yellow and orange nebula, a large space station or planet on the right, and a smaller spacecraft or satellite in the center. The overall atmosphere is futuristic and immersive.

***SnapToReality***

***Aplicação de Realidade Aumentada (AR)***

# Como funciona:

- Alinhamento preciso de objetos virtuais para o mundo real.
- Posicionar, girar e dimensionar conteúdos virtuais para cenas dinâmicas e reais

# Classificação de groupware

- Interação síncrona - face a face
